About us

KIMEX: quality and innovation for a unique experience

For more than 18 years, KIMEX International, specialist in audiovisual equipment, has been supporting you with a complete offer dedicated to your installations: totems, kiosks, dynamic screens, monitors, mounting brackets, projection screens, motorized desks, audio speakers, racks, flight cases, and connectors; for all your needs and on many markets: Retail, Public authorities, Hospitality, Health, Corporate, Education...

Thanks to its experience in the audiovisual market, KIMEX works today with more than 3000 resellers and integrators.

In a dynamic of international development, KIMEX will create a subsidiary in Barcelona in 2021.

KIMEX in a few figures:

- * 18 years of experience in audiovisual equipment
- * 1000 references in the catalogue
- * 50 000 products in stock
- * 2000m2 of warehouses and 500m2 of offices
- * 1 headquarters in Bordeaux and 1 subsidiary in Barcelona

Thanks to the diversity of our trades and skills, we put all our expertise and know-how at the service of your project to bring you the solution made for you.

OUR HISTORY

OUR ACTIVITY

IMPORT

All our items are specifically manufactured by our supplier partners according to our specifications and marketed under the KIMEX brand.

OUR ACTIVITY

KIMEX, audiovisual equipment and accessories specialist, has more than 1000 catalog references and 50,000 products in stock.

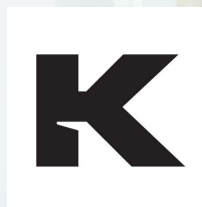

By importing in complete containers, we control the supply of our products from the manufacturing plant to the delivery, which allows us to benefit from the most competitive prices on the market.

SALE

In France and abroad (Metropolitan France, Belgium, Spain, Germany, Italy, Portugal, Netherlands, Switzerland, Luxembourg) to professionals and private customers.

MARKET PLACES

Partnership with around twenty market places in France and Europe.
